Thinglink Instructions:

Go to the 3-5 EdTech

Bottom row click on Thinglink

At the Hummingbird click **Start Now**

Click on the **Google Symbol** to sign in with Google

Our password is: **4thgraderocks**

Click on the blue **Create** button
      Open a new tab to search for an image that fits your theme.

Begin adding tags – See Thinglink Requirement page for the project.

Helpful Tips
To **add voice**, such as your voice reading your favorite part, go to **vocaroo.com**

To **add video**, find the video you are interested in. Copy the URL. Paste the **URL** in the section of the editing tag box on Thinglink.
